Huns Retreat On 188-Mile Front 16 Thousand Germans Captured

FOCH'S FORCES COMPEL THE ENEMY TO FALL BACK ON LONG LINE TO SAVE ARMY

LONDON, September 5 (11:07 a. m.).—The Germans are falling back over a front of 188 miles before the blows of the allied armies, according to a news agency dispatch from the battle front today.

The Germans are falling back in five different sectors of the battle front, destroying their depots as they retreat.

Their retreats are being pushed out in the regions of the Lys, Scarpe, Somme, Aisne and Vesle rivers.

LONDON, September 5 (4 a. m.).—The allied troops that forced a crossing of the Canal du Nord on the night of August 30 have been advancing all day.

along the line to the east of that stream, according to information from the zone of action today.

French and American forces, pounding the German positions between the Aisne and Vesle rivers, took 1500 prisoners yesterday.

PARIS, September 5. — Franco-American forces, pursuing the Germans north of the Vesle, have reached the line of the Aisne, according to advices from the front this morning.

Advancing north of the Vesle, French and American troops reached the crest of the ridge dominating the River Aisne.

Between the Aisne and the Aisne crossing of the Canal du Nord on the night of August 30, heavy fighting has been going on.

MILLION WORKERS GET TO MORE PAY MEN, WOMEN EQUALLY BENEFITED

WASHINGTON, September 5. — Nearly a million railroad employees, including clerks, track laborers and maintenance of way men, are to receive wage increases of \$25 a month, the equivalent of \$1 a day, or 12 cents an hour, over the pay they received last January 1, under a wage order issued by Director General Mead.

Advances are effective as of September 1. This order, affecting half the railroad men in the United States, and adding approximately 150,000,000 to the annual payroll in calculations of labor representatives, represents the second largest aggregate wage increase ever granted in American industrial history. It is supplementary to the general railroad wage order issued nearly four months ago, providing for about \$200,000,000 increases and for the classes of employees affected it supplants provisions of that order.

EARNED LESS THAN \$100. Most of the employees covered by the new order have made considerably less than \$100 a month, and the voluntary increase was decided on by the director general after investigation by his advisory board of railroad wages and working conditions of the pay of men doing similar work in other industries.

In the main, this board's recom-

mendations were followed.

The order specified that eight hours is to be considered the basic day, but overtime up to ten hours is to be paid pro rata; with one and a half the regular rate for overtime past ten hours. Specific rules are laid down for the promotion of employees on grounds of merit and seniority. Other regulations forbidding dismissal of employees without cause and providing for hearing on appeal resemble the rules now in effect under government civil service. These restrictions will affect mainly the half million railway clerks.

WOMEN INCLUDED.

Thousands of women clerks employed by the railroads are to receive the same pay as men for similar work, but the interpretation of "similar work" is left to executives.

Back pay from January 1 will be made under the other general wage order, and the advances now granted will be figured on top of the wage last January, rather than on the pay received in the immediate past under the general wage increase.

\$1000 RECEIVED BY UNIONS FOR RED CROSS

From their Labor Day activities the various labor unions realized the sum of about \$1000 which is to be turned in to the Red Cross.

THIRTY-THREE LIBERTY BOYS LEAVE FOR KEARNY

This afternoon at 3 o'clock thirty-three young men from this city will entrain for Camp Kearney, near San Diego, where they will enter into training for overseas service. They go by way of the Southern Pacific railroad and will reach their destination some time tomorrow.

At this writing it is too early to outline the program for the afternoon, but it is thought the ladies of the Red Cross Drill team and other women's organizations in the city will escort the boys to the train.

APPEAL IS MADE TO MEET QUOTA IN WAR STAMPS

Warren H. McBryde, county director for War Savings in this county, has addressed an urgent appeal to all local chairmen, committeemen, bankers, newspapermen, post masters, agents for war savings stamps, and others interested in the welfare of Contra Costa county. He says:

You are doubtless aware, Monday, September 3d, has been proclaimed WAR SAVINGS DAY, and that every one as far as possible can cash in their pledges and pledges and more, and all of the week is to be a campaign leading up to WAR SAVINGS DAY.

You will, therefore, arrange to carry an extra large stock of War Savings Stamps, and do everything possible to help increase the sales, especially at this time, and above all, on September 3d.

From the enclosed statement you will see the standing of our community. Those who have pledged their quota should strive to further their pledges, and, especially, to have their previous pledges cashed in as far as possible. Those who have not reached their quota should bend every effort to get their quota at this time by getting sufficient pledges, which in addition to their previous pledges will give them their quota.

Each community should reach their quota, or it will be holding the county back and causing the county to hold the State back.

What more appropriate results could we ask for as an Admission Day Celebration than for each community and the county as a whole to gain the quota?

Your patriotic efforts are needed by the Government at this time in the way in which you can specially help.

If you do your best in earnest here at home, like those who are fighting for us in France are doing, we can win here just as they are doing there.

EIGHT THOUSAND MEN WILL REGISTER HERE IS ESTIMATE OF DRAFT BOARD

The government estimate on the number of men between the ages of 18 and 45 who will register in this city and the second Registration Board district, on the 12th instant, is 2700, according to the registration blanks sent to the local board, but a count of noses from the number of men employed at the several large factories along the water front and in Richmond leads the registration officials to believe that the number will be nearer the 5,000 mark.

It is claimed that there are employed at this time at the Standard Oil refinery 2,000 men who will register within the ages of the present draft. This is not one large concern and the Hercules Powder Company has more than that number, according to the draft officials. Then there are a dozen smaller concerns employing from a hundred to five or six hundred men, the most of whom will be called upon to register for the draft.

The exemption board officials have carefully counted the men from information based on the best possible sources and they are satisfied that the government has missed the mark by more than one-half.

More questionnaires have been sent for and another requisition has been made for registration cards and other office supplies to fill out this is not one large concern and the Hercules Powder Company has more than that number, according to the draft officials. Then there are a dozen smaller concerns employing from a hundred to five or six hundred men, the most of whom will be called upon to register for the draft.

On the Lys front the British hold the general line of Ypres, Messines, Valenciennes, Cambrai, Maubeuge, Valenciennes and Giverny.

From Neuve Chapelle southward in Giverny the British have reached the line they held up to the German attack on April 9 last, while to the eastward of Giverny sections of the old German positions have been taken.

On the battle line in front of Cambrai an improvement in the British position south of Moeuvres is reported. The positions to the east of Hermies, near the Canal du Nord, just to the south, also have been improved. Still farther south the British have captured the village of Neuville-Bourjaval, east of the Canal du Nord.

More than 16,000 prisoners and more than 100 guns have been taken by the British in the last four days.

YOUNG CATHOLIC LADIES WILL GIVE WHIST PARTY

There will be a Whist Party and Dance given by the young ladies of St. Mark's church in the Richmond Club House on Saturday evening, September 7th. They have already secured a large number of valuable prizes, and are making every preparation to make the affair the most enjoyable yet given.

LONDON, via Montreal, September 5.—Paris newspapers today print the following semi-official statement: "The hour seems close at hand when the superb efforts of the allies will begin to bear fruit," one of our great chiefs said yesterday. "We are on the last lap and close to the winning post."

JUDGE PEAIRS IS SUCCESSOR TO CARNAHAN

SACRAMENTO, September 5.—Judge Howard A. Peairs of the Superior Court of Kern County has accepted the appointment of commissioner of corporations, to succeed R. L. Carnahan, he announced today.

Governor Stephens told of the appointment of Judge Peairs last night as the successor to Carnahan, who resigned last week at the governor's request.

Judge Peairs was appointed to the Superior Court by Governor Johnson in 1915 to succeed the late Judge Paul W. Bennett. In 1914 he was elected for the unexpired term, and two years ago was re-elected for the full term. Before going on the bench he was an assemblyman from Los Angeles.

Judge Peairs is 54 years old, is married, and has a son and daughter. The commissionership pays \$5000 a year and is held at the pleasure of the governor.

"JUST A WOMAN" LAST TIME AT THE RICHMOND

"Just a Woman," at the Richmond Theater today, founded on the successful drama of the same title written by Eugene Walter, will take rank among the foremost photoplay triumphs of the year.

That a play from the pen of Eugene Walter possesses all the essential ingredients for an absorbing motion picture production none will gainsay. The dramatist is too well known by theoregore for his marked talent for injecting ruggedness and "grace" into his subjects. Having been written by Mr. Walter, produced by Julius Steger, and starring Charlotte Walker, "Just a Woman" offers an all-star combination of author, director and star that seldom has been excelled. For instance, Julius Steger, after attaining fame on the light opera and dramatic stages, took up the production of motion pictures, and his success has been phenomenal. Among his best work in this line are "The Fifth Commandment," "The Blindness of Love," "The Stolen Triumph," "The House of the House," and "Redemption" with Evelyn Nesbit Thaw.

BOYS WANTED—This office is in need of good clean boys, 15 years of age and under. Write to Mr. J. H. McCall, 214 Sixth Street.

DAYS DARK FOR GERMANY.

The war news from the eastern front these days is bad news for the German people. Quotations from German newspapers portray the gloom that overhangs the people in the large cities. That the people in the small towns and county are equally depressed is not to be doubted.

The Liberty Loan bond buyers of the preceding loans have their share in the success of the entente allies. They furnished the sinews of war not only to fight the U-boats and to build ships, not only to raise, equip, and send our soldiers over, not only to supply them and our allies with food and munitions, but more than \$6,000,000,000 of their money has been loaned to our allies so that they may prosecute the war with vigor and strength.

We here at home have an opportunity to send the Germans some more bad news. The Germans have great respect for money; they know its vital value in waging war. They know, too, that the support the American people give a government loan measures largely the support they give their government, the moral

NEW SCHEDULE IS ARRANGED TO PAY MEMBERS DRAFT BOARD

A new schedule of compensation for all local exemption boards handling the draft after September 1 has been received by Governor William D. Stephens from Provost Marshal General Crowder. Payment

to August 31 is also given. For all services over and above classification and registration, between March 1 and June 30, 1913, \$1 to each local board for each registrant inducted into service during the period and accepted at camp will be allowed, or \$1 per member.

For services rendered between July 1 and August 31, 1913, in addition to the existing allowance of 50 cents per questionnaire finally classified and in addition to per diem for registration, the same compensation of \$3 will be allowed.

On and after September 1 all existing regulations concerning compensation for local boards will cease to be effective, and the new schedule will become operative, wherein the board members will be paid at the rate of \$1 per hour, not to exceed \$10 per day or \$200 per month for

MARTIN JOOST IS HIGH MAN AT POLLS

MARTINEZ, September 3.—Martin W. Joost is declared "high man" according to the official election returns. Among the candidates for county offices who had no opposition there was considerable friendly rivalry to see who would secure the largest number of votes. Mr. Joost, for tax collector, leads with a slight margin over A. N. Sullenger, for county auditor, his nearest competitor. The variation between high and low figures, however, is very slight. This is the second time that Mr. Joost has been honored by polling the highest vote accorded a candidate in a county election.

What is a Branch House?

The Branch House is the place in the packing organization where what the packing plant does for you is put where you can use it.

Both are the natural result of growth and development in the living thing they belong to.

Swift & Company Branch Houses are located in distributing centers all over the country. They are fitted out with refrigerating equipment to keep meat cool, sweet and fresh.

Each one is in personal charge of a man who believes in what Swift & Company is doing for people and wants to help do it.

They are directed by men who have spent years learning how to get better meat cheaper to the places where it is needed.

Meat is shipped to the branch houses direct from the packing plants in Swift & Company's refrigerator cars, in such quantities that it can be disposed of while fresh and sweet.

Your meat dealer comes here to buy your meat for you—unless someone else can treat him better than we can.

So you need the branch house in order to live well, and the branch house and the packing plant need each other in order to be useful to you.

Swift & Company, U. S. A.

TO ALL PATRIOTIC CITIZENS

The following appeal to patriotism is issued by the Power Administrator appointed by the Railroad Commission of the State of California:

Conserve Electricity

Patriotism demands that you save electricity for war industries.

Northern and Central California have a SERIOUS power shortage because of lack of rain during the past winter and the increased use of electricity by war industries.

These War Industries Must Have Power

There is not enough power for everybody at the present rate of consumption. It is up to you to save. Turn off lights whenever possible and use lower power lamps.

This is one other thing you can do in the great struggle.

Power Administrator.

Not One Chinese In Ten

Thousand Has Constipation

except a few drug

wars, while about

50 per cent of the

Americans suffer

from this dread

complaint. The

PONG WAN

HERE SPECIAL

DOCT gives the fol-

lowing explanation of this phre-

mon. "When a Chinese is ill, he

immediately consults a Herb

Specialist and the cause is removed,

but, when an American feel-

ed, the first thing he does is to

take a PILL. This may re-

lieve him temporarily, but repeat-

ed doses of such drugs eventually

paralyze the bowels. As the

bowels then no longer move

naturally, physis taking be-

come a habit, the weakened bowels

drag, and there is a heavy pres-

sure of gas on the rectum. If

the poor fellow be a man, the

physician will usually tell him

that his trouble is piles; if a

woman, that it is female trouble."

By drinking the Pong Wan

harmless Chinese herbs, hundreds

of Americans have not only been

relieved of their stomach and

bowel troubles, but have been

made normal again. Their tes-

timonials are on file.

ORPHEUM WILL KEEP UP TO ITS OLD FORM DURING WAR

Orpheum vaudeville is coming back to Oakland.
It was heralded today, over at the Oakland Orpheum, when the box office window opened for the advance sale for the season, which commences with a great eight-act bill of all star features, Sunday Matinee, September 15, just one week from next Sunday.
Manager Harry Cornell is optimistic over the season, following the receipt of the advance bookings from the heads of the circuit. For, despite the war, despite the hundreds of artists who have volunteered for the war, and despite the great difficulties of transportation and other incidentals in handling the attractions to come, Orpheum vaudeville will be greater than ever.
"We have hundreds of new acts that are not only good, but absolutely original," he said, "and we have many old time stars and favorites with brand new material. It sounds impossible, almost, but it is true; Orpheum vaudeville will be literally greater than ever."
"Incidentally the same policy will apply in Oakland as last year; every act that plays San Francisco will play Oakland; and that means that every big attraction sent out from the East will be seen right in this city. It means that Oakland keeps her ratings as a 'big time show town.'"
Full details of the opening week's bill will be announced by Manager Cornell in a few days. It is not giving away any secrets, however, to mention that among the features will be the celebrated Robert F. Haines and his company, the great old favorite Bison City Four, the celebrated Amoroso Sisters, idols of French theatergoers, and other big features.
Every attention will be paid reservations by the augmented box office force, Manager Cornell further announces.

LONE STAR BOYS DAZZLE THE FRENCH SOLDIERS ON BATTLEFIELD

PARIS, September 5.—La Liberte, under the heading "A Heroic Charge," pays tribute to the Americans. It says:
"The taking of Terna-Sorny by the Americans was a particularly brilliant operation executed by our allies with wonderful dash. The unit which made this stroke had never been under fire, having passed only a few weeks in a comparatively calm sector, but on its debut it hurled itself against a division of imperial guards and beat it."
"These sturdy youth from Texas, habituated to prairie life, tracked the boche like wild beasts; they swept villages and seats on machine gunners and charged with bayonets at bayonets of 105s, killing those serving the battery and capturing the guns."
"Twice an officer of the French general staff had to intervene to modify the ardor, fearing that they might overstep the mark. Even the French Zouaves, who are an embodiment of our aggressive fighting, were astonished at such daring."

RED MEN WILL GIVE CABARET AT EAST SHORE

The Red Men are to give a real jazz cabaret show at East Shore Park on Saturday evening, September 14th. It will be for the benefit of their War Savings Stamp fund. Five first class entertainers from Taita, San Francisco, have been secured for the evening. There will be dancing and plenty of good amusement. Punch will be served and seats and tables will be arranged around the pavilion hand, some of the finest of San Francisco's biggest and finest cafe.
A live committee is in charge, and the Red Men jazz orchestra is now busy rehearsing for the music which promises to be the latest and the liveliest.

TROOP TRAIN IS WRECKED AND 2 ARE DEAD

CHICKASHA, Okla., September 5.—Two men were killed and forty-five were reported injured when three coaches of south-bound Rock Island train No. 11 left the rails and went into a ditch today between Duncan and Comanche, Okla., south of this city.
A relief train which left Chickasha for the scene of the accident is bringing the dead and injured to this city.
The coaches of the train were filled with drafted soldiers from Kansas and northern Oklahoma. The three rear coaches were of wood and were badly smashed and splintered when they rolled down the embankment.
THIRTEEN INJURED.
MINOT, N. D., September 5.—The Oriental Limited, on the Great Northern Railroad, was wrecked three miles east of here this forenoon by spreading rails. Three cars turned over and thirteen persons were injured.
